THE CLIPPER TO STAGE MAMMOTH SUBSCRIPTION CAMPAIGN OPENING MONDAY

STUDEBAKER TOURING CAR, DIAMOND RINGS, GOLD WATCH BRACELETS AND CASH PRIZES TO BE AWARDED ENERGETIC MEN AND WOMEN OF COUNTY

In this issue of the Clipper the announcement is made of a mammoth subscription campaign in which over \$2,000.00 in prizes and cash commissions will be given away free to the men and women of this section who show the best class of salesmanship abilities during the coming few weeks.

The prizes to be given comprise some of the most valuable that could be purchased in Elba. Heading the magnificent array of awards is a Studebaker, light six, touring car, purchased from Ellis-Johnson Company of this city. The car is a 1924 model and most every one knows what an excellent car the Studebaker is.

The second prize is a beautiful diamond ring, and the third prize is another very pretty diamond, while the next three prizes to be awarded are Elgin watch bracelets.

How Prizes Are Awarded
The Clipper is giving these magnificent prizes to the residents of this section in order to increase the already large list of Clipper readers. It is the ambition of the management to have the Clipper a regular visitor into every home of this section. One can take a look at the list of prizes to be awarded and see that this is not a money making scheme on the part of the Clipper but simply a method to increase its circulation.

The Clipper is using this unique method in preference to the time worn method of hiring solicitors and at the same time giving the residents of this section an opportunity to turn their spare time into big pay during the next few weeks.

Every subscription taken during the length of the campaign will count many votes and the candidates polling the largest number of votes during the campaign will be the winners of the prizes. The one securing the largest number of votes will be awarded the Studebaker while those running next in order will receive the other valuable prizes to be awarded.

Everybody Wins.
The one big feature of this campaign is there will be no losers as each and every candidate entering the campaign and reporting regularly will receive a liberal cash commission in case they fail to win one of the advertised prizes. It is a case where each one will receive pay in accordance with

the amount of work they perform, so it is certain that a representative list of Coffee County men and women will participate.

The campaign is open alike to men and women and any white person may enter. It costs nothing to enter and nothing to stay in, so if you have any ambition at all be sure and get your name into the campaign department without fail.

How To Enter.
To enter this mammoth drive and win any of the prizes you desire is easy. Simply fill out the nomination coupon on this page and bring or send it to the campaign Manager at the Clipper office and he will promptly issue you full supplies so that you will lose no time in getting started. Although the campaign does not officially open until Monday, still receipt books and supplies will be issued in the order in which the nominations come in to the campaign office.

The candidates entering first have all the best of those waiting until the last minute to enter, as many subscribers will give their subscriptions to the very first ones who ask them and some of a prospective candidates best friends may give their votes to some other candidate, not knowing just who will make the race.

If the Studebaker looks good to you and you have any spare time whatever to spend, take the scissors and clip the coupon right now and be among the very first to get started. Even though you live on one of the rural routes or in one of the smaller towns, still you have just as good an opportunity as anyone else, and it is your determination that will win for you.

Don't think because you don't live in Elba that you are handicapped as this is not the case. Those in the smaller towns and on the rural routes have just as good a chance as those living in town. Regardless of where you live it is the amount of spare time you put in which decides whether you are to be a winner or not.

Campaign Fair To All
The campaign will be absolutely fair to all candidates alike and no favoritism will be shown anyone. The campaign is under the personal supervision of O. Edgar Atkinson, of The Success Circulation Bureau, and the many fair cam-

paigns this company have conducted through this section is proof positive that each one entering may rest assured they will receive the prize their votes entitle them to. At the close of the drive the campaign will be turned over to a committee of local business men who will count the votes and award the prizes.

There will be an absence of all red tape connected with this campaign. The rules are so simple a child can understand them and there is only one way in which votes can be secured and that is by getting subscriptions. It is a business proposition pure and simple by which someone is going to be rewarded with a Studebaker car just for a few weeks work. Why not make that someone yourself? Instead of waiting for someone else to send in your coupon for you, take the scissors and clip the coupon from this page and be the very first to get started. Remember the luck the early bird has and be an early bird.

There is no way one can lose, so even though you only have a few hours spare time a week, send in your name so that you can capitalize on your popularity. Are you willing to admit that some one else has more friends or ability than yourself? Prove your confidence in your ability by entering this campaign NOW, TODAY, and then get busy among your friends and acquaintances gathering votes. You will like the work and at the same time will be getting big pay for little work.

Fill Out Coupon.
The first thing one should do is to fill out the coupon on this page and bring it down to the Manager's office. If it is impossible for you to bring the coupon down then mail it in, or have someone else bring it in for you. It is better to bring it personally so that the Campaign Manager can become acquainted with you and explain the few simple rules of the drive.

If you find it impossible to come by, then take your phone and call The Clipper office and the Manager will gladly explain how easy it will be for you to win one of the valuable prizes. Obey that impulse now—clip the coupon. It may be one of the most important steps of your entire career.

MRS. H. F. HARP DIES IN EL PASO, TEXAS.

—
Relatives and friends at Elba last week learned with much regret of the death of Mrs. H. F. Harp, which occurred at her home in El Paso, Texas, on Sunday, December 23, 1923.

Mrs. Harp for a long period of years lived at Elba and had many friends here. On account of declining health she moved to the West to make her home. She is survived by her husband, Dr. H. F. Harp, who for many years was a prominent druggist at Elba, and one daughter, besides a number of other relatives.

The body was brought back to the old home near Union Springs, where the burial occurred. The bereaved family has the sincere sympathy of their many friends here.

MR. RUSS MOVES OFFICE.
Mr. M. C. Russ this week moved his insurance office from the May building to the D. J. Brooks building on the East side of Court Square.

Mr. F. A. Symonds spent Tuesday in Montgomery.

WITH THE CHURCHES OF ELBA ANNOUNCEMENTS AND NEWS OF INTEREST FROM OUR RELIGIOUS INSTITUTIONS

BAPTIST CHURCH.

Preaching 11.00, a. m. and 7.00 P. M. by Chas. H. Gorman, Pastor.

Sunday School 9.45 a. m. J. C. Fleming, Superintendent.

Beginning next Monday, January 7th, the Woman's Missionary Society will observe the Week of Prayer for Foreign Missions. A program bearing on different phases of Foreign Missions will be carried out each day during the week.

It would be fine if all members of the church would attend church next Sunday, the first Sunday in the New Year. We ought to include in our New Year resolutions, one to attend Sunday School, Prayer Meeting and all church services, unless providentially hindered.

We hope to make the services next Sunday a source of help and inspiration to all who attend. An effort will be made to supply such spiritual aid as will help us to begin the New Year right and enable us to accomplish greater things this year than ever before in the way of spiritual growth and Christian attainments.

All are cordially invited to attend all services of the church.

METHODIST CHURCH

Preaching every Sunday, at 11:00 A. M. and 7:00 P. M. F. M. Lowrey, Pastor.

Sunday School at 9:45 a. m. Chas. L. Rowe, Supt. Epworth League, Sunday evening at 6:30 o'clock.

Prayer Service, Wednesday evening at 7:00 o'clock.

Watch night services were held by the Epworth League.

Going from the old to the new is a serious move, and we always take the old year into the new, and with it the experiences of the past year. They took the old ark across the Jordan to lead them into a new land. This ark represents God whom we follow over into 1924, and we shall be desolate indeed if we try to make the explorations of this year without the ark we have followed through the past. As this year comes on the horizon let us greet it with a shout, because we have not been this way before, and eternal vigilance is necessary lest we meet gigantic temptations and obstacles which we cannot overcome without the presence of the ark of God.

The parsonage family has fared sumptuously every day from the great Christmas dinner sent in by Mrs. Lowrey's Sunday School Class, already cooked and sauced. Everything from "goose to grouse" was included in that dinner, except the goose was a gobbler and the grouse included all kinds of fruits and nutmeats. "May you all live long and prosper!"

There is a very noticeable thing about a man or a mule—neither one can kick and pull at the same time. This is the end of the first conference month, and we are sure that you have appreciated the envelopes the Stewards left for you to meet your financial obligations every Sunday, and so on through the year.

There will be services at

Liberty church at 3:00 o'clock Sunday. Let everybody adjacent to that community attend this, the first service of the year.

There will be a Sunday School conference for this district at Brundidge on January 8th. Lunch will be served at the church, and a full attendance is asked from each school. A banner will be given to the school with the highest total mileage traveled. Our school was second last year at Troy. Shall we be first this year? Every member of the school has a cordial invitation.

We are glad to note that Mrs. I. T. Law and Miss Ada Law, who have been sick, are better at this time.

It was the sad mission of the pastor to attend the funeral services of 'Gene Boy Moore, son of Rev. M. T. Moore, pastor of the Methodist church at New Brockton. The little four year old ray of sunshine todied out of this world into that world where there's eternal singing. He was buried by Rev. H. C. Threadgill, pastor of the Methodist church at Enterprise, and Rev. Beevis, pastor of the Baptist church at New Brockton, at 10 o'clock Monday.

We wish you ALL a happy New Year.

F. & M. BANK OF KINSTON ELECTS OFFICERS FOR NEW YEAR.

At the annual meeting of the stockholders of the Farmers and Merchants Bank of Kinston, held on last Monday the following officers for the new year were named:

F. A. Symonds, President. Dr. J. L. Akins, V-President. J. F. Brunson, Cashier. Leslie Stephens, Asst. Cash. The directors are: C. H. Rhodes, L. E. Wieg and J. F. Brunson.

At the meeting a dividend of 4 per cent was declared and ordered paid to the stockholders. The bank has bright prospects for a successful year in 1924.

Mr. Collie Covington has just returned from a weeks visit to his brother, J. D. Covington, at Lillian, Ala., in South Baldwin County.

Mr. and Mrs. Norman Ham and daughter, of Anniston, visited relatives at Elba last week.

S. H. BROCK NAMED CASHIER ELBA BANK AND TRUST COMPANY

—
Mr. S. H. Brock, one of Elba's most popular citizens, has been named as Cashier of Elba Bank & Trust Company, to succeed Mr. O. S. Rainer who resigned a few days ago.

Mr. Brock for the past several years has been connected with the county in official way, having served as Circuit Clerk and later as Register of the Equity Court. He is a good business man, and is a very courteous official, and we feel sure that he will make the bank a good officer.

Mr. O. S. Rainer, who has just resigned as Cashier of the bank, after having served acceptably for the past two years, goes to Arlton, Alabama, where he will engage in the lumber business. A large planing mill plant has already been established at Arlton and it was the intention of Mr. Rainer to begin operating this week. Mr. Rainer and his associates will operate under the name of the Rainer-Towns Lumber Company.

Mr. Rainer's many friends wish him much success in his new field. His family will remain at Elba.

NEW YEAR USHERED IN WITH MUCH NOISE

—
The year 1924 was ushered in with a great deal of noise at Elba. Long before the midnight hour, bells were tolled and firearms and fire crackers were discharged throughout the town, especially on Court Square.

Then as the clock struck the hour, bells were rung, more firearms discharged, and mill whistles were blown. The noise was kept up for some time. Quite a number of people were up to welcome the New Year in, and so far as we have been able to learn not many were grieved at the passing of the old year.

We sincerely trust that the year 1924 will bring peace, prosperity and happiness to every man, woman and child in Coffee County.

NEW YEAR DANCE MONDAY NIGHT

—
A new years dance was given at the Ellis building Monday evening. The hall was decorated with red, white and blue, and a large canvas happy new year sign was suspended from the ceiling.

The music was furnished by the Elba orchestra. In keeping with the leap year sentiment, immediately after twelve o'clock the girls rushed the boys. Visitors from Opp and Enterprise shared this pleasure with the dance lovers of Elba.

MUSIC CLUB MEETS WITH MRS. COOPER

—
The Music Study Club met with Mrs. R. L. Cooper last Thursday. The living room was attractively decorated with Christmas decorations. A beautiful program was given.

Mrs. Bancroft, mother of the hostess was a guest of the club. Mr. and Mrs. Jack Chambliss, of Montgomery, spent a few days here the first of the week with relatives.

FARMING IN 1923-24

(By Henry C. Wallace, Secretary of Agriculture.)

The industry, courage and faith evidenced by the farmers of the Nation during the past three years are slowly bringing their reward. Improvement in agricultural conditions continues—not as rapidly as desired or needed, nor as rapidly as deserved, but nevertheless it continues. The promise of the year has been fulfilled.

So we come to the end of the third year of post-war depression with a feeling of greater confidence born of better times, of realized and with justified hopes of still further improvement in 1924.

In general, the crops of 1923 were good. Some sections in the cotton belt and in the wheat belt suffered from the ravages of weather and insect pests, but the aggregate crop production was equal to the average of the five preceding years.

Considering money return we find that the values of most crops are greater than in 1922. The total value of all crops is 12 percent greater. The values of the wheat, rye, rice, clover seed, cranberry, peach and pear crops are below 1922 in the case of wheat 11 per cent below. The values of all other important crops are greater.

It is difficult to measure the productive values of livestock during the year, dependent as it is upon crops marketed in that form. In general, it has been a prosperous year for sheep growers, fairly good for dairymen, less satisfactory for producers of hogs, and discouraging for growers of range cattle. Cattle feeders, however, have done very well on the whole.

There are discouraging conditions still to be overcome. There is the burden of debt. There are heavy taxes to be met. The cost of production and of what the farmers buy remains high. Farmers in the spring wheat territory especially are in sore straits from conditions largely beyond their control.

Experience gained during these years of depression, however, together with progress already made, warrant a hopeful attitude for the coming year. Gradually crop acreage is being better adjusted. The domestic market continues strong. The children come coming, and that means a steadily increasing number of mouths to be fed. Those who stay by the farm and do good farming can look forward to better times as a reward for their years of toil and hardship. Those whose businesses depend directly upon farm purchases can find decided encouragement in the growing gross income of the farmer, for he will buy as his income expands.

The year 1924 comes with the promise of continued improvement in the material property of the farmer, and the farmer continues to be the material and spiritual backbone of the Nation.

SHAREHOLDERS MEETING

The annual meeting of the shareholders of the First National Bank of Elba, Ala., will be held in the office of a bank on Tuesday, January 8th, 1924, for the purpose of electing a board of directors and for the transaction of any other business that may properly come before the meeting.

MUSGROVE TO OPPOSE UNDERWOOD IN PRESIDENTIAL PRIMARY

Birmingham, Ala., Dec. 29.—

L. B. Musgrove, of Jasper, tonight announced his candidacy to contest with Senator Oscar W. Underwood in the Alabama preferential primary next March for the honor of naming the state's delegates to the democratic national convention.

Mr. Musgrove said in a formal statement that, if elected, he will appoint under terms of the law "as delegates only such progressives and dry democrats as will properly represent the good people of this state, to the end that your voting strength shall not be traded off to the wets, to Wall Street, Tammany, Al Smith or any other reactionary element of the party."

The statements add: "A serious and undeclared situation confronts the people of Alabama. The right of the people to select their own representatives, not hitherto denied in free America, has been foreclosed by an act of the recent legislature. The reactionary, wet political element in Alabama of which Senator Underwood is the chief exponent, and from which I shall proceed to sell, elect and best bidder for cash, at public auction, at the Court House door in Coffee County, in the town of Elba, Alabama, within the legal hours of sale, on MONDAY, the 21st day of JANUARY, 1924, the following described property, to-wit:

WHITE MAN SHOT FOR RUNNING OVER BOY

New Orleans, La., Dec. 26.—

Joe Anzalone, shot down at Independence, La., yesterday by Jesse Stamps after he had run down Stamps's three year old son with an automobile, hovered between life and death in a hospital here tonight while the condition of the child, in the same hospital, was unchanged. Stamps was at the bedside of his son.

From Independence it was reported that upon his return home Stamps would be arrested and liberated under nominal bond. It was added that citizens from all parts of the Independence territory had offered to furnish any amount that might be fixed.

Anzalone, at the wheel of a car and with two companions, struck the child while driving at high speed and went on with out slowing down. Citizens of Independence gave chase and overtook him. Stamps arrived upon the scene after Anzalone had been overhauled and learning the identity of the driver of the car drew a pistol and shot him through the abdomen.

WHITE MAN SHOT FOR RUNNING OVER BOY

New Orleans, La., Dec. 26.—

Joe Anzalone, shot down at Independence, La., yesterday by Jesse Stamps after he had run down Stamps's three year old son with an automobile, hovered between life and death in a hospital here tonight while the condition of the child, in the same hospital, was unchanged. Stamps was at the bedside of his son.

From Independence it was reported that upon his return home Stamps would be arrested and liberated under nominal bond. It was added that citizens from all parts of the Independence territory had offered to furnish any amount that might be fixed.

Anzalone, at the wheel of a car and with two companions, struck the child while driving at high speed and went on with out slowing down. Citizens of Independence gave chase and overtook him. Stamps arrived upon the scene after Anzalone had been overhauled and learning the identity of the driver of the car drew a pistol and shot him through the abdomen.

Neither officer is fatally injured.

MYSTERY DEATH IN CHAMBERS COUNTY

Lafayette, Ala., Dec. 27.—Charlie Tucker of the Allen's community, in the northwestern part of Chambers county, died Tuesday night at the Wheeler infirmary, after more than two weeks treatment for gunshot wounds. Considerable mystery surrounds the shooting as Tucker refused to tell who did the shooting.

Tucker was shot at night, near his home, and none of the family consent to discuss the matter. The body was carried from Lafayette Wednesday morning to the home community where it was buried Tuesday afternoon.

FARMER BEATEN AND WIFE FOUND BURNED

Dainierfield, Texas, Dec. 31.—Green Carroll, farmer, who was attacked and badly beaten Sunday night at his home near Dainierfield, was not expected to live tonight, physicians saying his condition was critical. His wife, whose body was burned in a fire that destroyed their house, is supposed by officers to have been beaten to death or rendered unconscious before the fire. County officials believe that both Mr. and Mrs. Carroll were beaten by robbers who then set fire to the house to cover the crime. Carroll has been unable to give any account of what occurred in his home. As far as can be ascertained, he regained consciousness in time to crawl from the burning house. Carroll is supposed to have had several hundred dollars at the farm. Sheriff J. R. Ponder in a search of the place today, found \$85 in gold.

Mrs. H. C. Johnson and children spent a few days last week with relatives at Ozark. Mr. Johnson went over Saturday, returning with them Sunday.

REPUTED BAD NEGRO KILLED AT INDUSTRY

Industry, Ala., Dec. 26.—Dempsey Powell, reputed bad negro man, was shot and killed by Nolen Joyner, on Christmas night at this place, eighteen miles south of Greenville in Butler county. The body of Powell was found on the roadside this morning by a deputy sheriff with a knife and bottle of whiskey by his side. Considerable ill-feeling between the races was endangered by the killing, many of the mill negroes living hereabouts being inflamed by drink. Later in the night a number of whites are reported to have fired more than one hundred shots into a house occupied by negroes, seriously wounding one and injuring another slightly.

Sheriff Gus Murphy from Greenville, made an investigation but no arrests were made. The statements of witnesses being that Joyner killed Powell in self defense. The trouble has quieted down tonight.

FIVE CHILDREN POISONED BY USING CAP PISTOLS

New Orleans, La., Dec. 31.—Five negro children in one group died in Charity hospital late today of tetanus caused from wounds by cap pistols and other explosives. Christmas day, hospital authorities announced.

The negroes who died were from various parts of the city and ranged from 3 to 12 years old. They received burns from toy pistols a week ago, but in most of the cases did not have medical attention because the wounds were not considered serious. Hospital physicians to day joined police Superintendent Moloney in a general warning against permitting children to play with toy pistols and added a caution to have all those who use them arrested on poison charges.

Clipper's Studebaker Campaign Gets Under Way; Many Enter

STILL PLENTY OF TIME FOR ENERGETIC MEN AND WOMEN TO ENTER AND WIN

The Clipper's \$2000.00 salesmanship club campaign announced in last weeks issue is rapidly getting under way with nearly a score of the most energetic men and women of this entire section having been nominated to win the valuable Studebaker and the many other prizes to be awarded.

As the campaign is just getting started hardly any of the candidates have actually gotten started to work in real earnest yet, but it is certain that the latter part of this week will find all who want the prizes out actively engaged in boosting this popular weekly.

There is still plenty of time to enter and as yet some of the very best territory in the entire section is unrepresented so anyone with sales ability and ambition who has even a small amount of spare time can turn the next few weeks into real money by entering the drive and winning one of the many valuable awards to be given on the 9th of February.

When it is taken into consideration how every few of the small towns and sections are represented and how short the campaign is there is no reason why anyone should hesitate about entering the campaign and sharing in the many valuable awards. There can be no losers as even those who fail to win a prize will be rewarded by a liberal cash commission.

Just One Month in All The campaign will last in all but one month, as it will close just one month from today, on the 9th of February, and you can earn just \$1145.00 in this time if you heed the voice of opportunity calling you. It cost nothing to enter and the campaign is open alike to men and women of this entire section. Regardless of where you live the opportunity is here, and the ones who enter right now at the start have the better chance to drive away in their own car in just a few weeks.

Were the campaign to last through several months, then there would be no necessity for one to hurry their nomination coupon into the office, but where there is only one month, then every day counts and the postponement of entering, even for a few days might prove costly in the final windup.

It is evident that anyone can lose no time if you are to be considered a winning candidate so lose no time but clip the coupon from this paper and send it in to the campaign Manager now, so that you can get started at once in the race.

The main reason why a subscription now is worth five later on is to prevent any speculation or action taking place among the contenders. In a campaign staged no so very

long ago, the first place the votes polled at the beginning of the drive count many more votes than they ever will again. This week is one of the most important weeks of the entire campaign as every subscription taken and turned in Saturday will average just five times as many votes as will be allowed at the finish of the campaign. This means that those who get started now have little to fear from those who are expecting to make a cleanup at the finish of the drive.

RIVER BRIDGE TO BE TORN AWAY FRIDAY

Mr. Will Wise, contractor of Dothan, is at Elba and has already begun work preparatory to tearing away the East abutment of Pea River bridge and completing the work of rebuilding that section of the bridge which was started several weeks ago.

Mr. Wise told a Clipper representative yesterday afternoon that the bridge will be torn down Friday morning, January 11th, and that all traffic will be cut off until the work is completed, which he estimates will consume about four days.

It is his plan now to have the bridge open again for traffic on Tuesday of next week, if everything works nicely. Work announced early in December that this work would be done, but on account of some material which was condemned the work was held up. Intention to work continuously on the bridge until it is finished.

Persons who travel this section should take notice of the bridge being torn away and plan their trips some other way.

MESSANGER SERVICE AT WESTERN UNION

Beginning with the new year the Western Union Telegraph Company, instituted a bicycle messenger service at the Elba office. This will be quite a convenience for the people in the business part of town, as all messages will now be delivered as soon as received.

It is also announced that messages will be sent for to different parts of town, thus relieving those who wish to use the wires to do so without the trouble heretofore experienced of having to carry their messages to the depot. Elba people will no doubt appreciate the new service being given by the Western Union and their efficient operators.

The following announcement which has just been received by relatives and friends at Elba will be of much interest to the members of the groom, who was reared near New Brockton, and who is quite well known at Elba:

"Mr. and Mrs. S. A. Eubanks announce the marriage of their daughter, Lucile, to Mr. Grover Cleveland Folsom, on Tuesday, January the first, one thousand nine hundred and twenty four, Plant City, Fla."

Mr. Arnold comes to Coffee from Sumter County where he has been engaged in demonstration work for the past three years. He is splendidly equipped for the work and The Clipper predicts many good things for the farmers of the county who co-operate with him in their work for this year.
